

Dear Guest,

Welcome to Valley Life Free Church. We hope that you enjoy the spirit of our worship as we clearly proclaim the living truth of God's word every Sunday morning.

At Valley Life Free Church, we believe in the God of the Holy Bible and in Jesus Christ as the Savior of the world. We are a non-denominational Christ-centered Christian church committed to blessing our local community by sharing the Good News of Jesus Christ through fun and joyful worship, clear and relevant Bible teaching, meaningful fellowship, and exciting adventures in ministry and outreach.

At Valley Life Free Church, you will learn amazing Biblical truths, enjoy good company, and find the answers to the deepest questions of your heart. As pastor of Valley Life Free, I assure you that we are sincere in our calling and mission and we invite you to prayerfully consider becoming part of this wonderful adventure with us.

We are simple and contemporary enough to be understood but powerful enough to change your life forever. Start living according to God's way and see what happens.

For more information, visit our website, give me a call, or just send me an email.

May God bless you ... and we hope to see you again every Sunday morning at 10 am.

Sincerely in Christ Jesus,

Lou Garnica
