

Dear Friends and Neighbors,

Do you believe in God? Do you believe that the Bible is a special book? Maybe you are not sure if God really exists or if the Bible is really true ... that's okay too. We encourage you to visit us to learn more about the Bible, God, and His wonderful plan for your life.

### **Did you know?**

- The Bible is authenticated by science, history, archeology, prophecy, and reliable eyewitness accounts.
- God loves you and wants to give you eternal life (John 3:16).
- Jesus claimed to be the only way to heaven (John 14:6).
- God wants you to be part of a loving church family (Acts 2:46-47).

God wants so much for you ... but do you really know God and does God really know you? Do you understand the purpose of your life? We invite you to visit our church family to learn more about what you may already believe or are yearning to learn more about.

At Valley Life Free Church, we believe in the God of the Holy Bible and in Jesus Christ as the Savior of the world. We are a non-denominational Christian church committed to improving our local community through fun and joyful worship, clear and relevant Bible teaching, meaningful fellowship, and exciting opportunities to share your gifts to bless others. This is not about religion. God truly desires a personal relationship with you.

We are located at the northwest corner of Ashlan and Millbrook in Fresno. We are simple and contemporary enough to be understood but powerful enough to change your life forever. Start living according to God's way and see what happens. For more information, visit our website, give us a call, or send me an email.

May God bless you ... and we hope to see you this Sunday at 10 am.

Sincerely in Christ Jesus,

*Lou Garnica*
